

COSMOFARMA
MADE IN ITALY

Cosmofarma S.r.l.

Cosmofarma has developed and **distributed quality brands and products for 40 years** and has been long recognized in the hair care business as an artisan manufacturer of quality hair & personal care products and toiletries, from shampoos to conditioners, from bathfoam to liquid soap and specialty cosmeceuticals.

Our products are MADE IN ITALY and sold in Italy and abroad. A limited series of custom manufactured products can be also made on a private label basis for a variety of small businesses and companies.

The cornerstones of our growth are quality, safe products, environment and market-oriented product solutions and chemical, technical know-how and the belief that business is primarily about human relationships.

For your full and safe information, kindly note that we are member of CONFINDUSTRIA (General Confederation of the Italian Industry), Federchimica (Italian Federation of Chemical Industry Associations) and UNIPRO, the Cosmetic Group Association within Federchimica.

We are registered at the Italian Chamber of Commerce regarding our activity and business register number.

We are also registered as exporters with the Arab Italian Chamber of Commerce.

We are Organic-certified for the production of eco-bio cosmetics with the internationally recognized Entity ICEA (Italian Body of Certification for organic cosmetics and organic agriculture)

We are ISO 9001:2008-certified for Research, Development & Production of cosmetics

Catalogue - Catalogo

HAIR CONDITIONER

With Bay Laurel extracts, tough and very aromatic, rich in essential oils.

Properties and benefits:
It has stimulating, moisturizing, antiseptic, soothing properties. A carefully blended formula with first-quality ingredients that leave and protect your hair smooth, nourished and healthy longer from root to tip. The results: a softer, manageable state, silky texture and shine.

USE: After shampooing – wet hair – massage deeply and stay 1-2 mns. Rinse thoroughly. Dry and style as usual.

SOOTHING FOAM BATH

With lavender (Lavandula) and thyme(Thymus) extracts.

Properties and benefits:

The mild texture and the delicacy of its foam give a unique great sense of well being. Thick and luxurious, delicate enough for even the most sensitive skin. This formula takes advantage of the unique virtues of specially selected herbs to energize and renew the body: these enchanting aromatics help melt away all stress and tension as they refresh mind and spirit. This finest type of foam bath incorporates also important anti-ageing, anti-oxidant supplements and excellent skin care nutrients that encourage youthful skin tone and condition in smoothness and appearance: Vitamin E, Wheat Protein, Our top quality Beauty Bath forms the ideal essential for enjoying sense-rewarding beauty rituals.

USE: Add herbal foam bath to mildly warm water and soak for 20-30 minutes as the herbs and precious skin soothing nutrients revive well-being.

MILD SHAMPOO

With typically Tuscan natural Olive extracts (Olea Europea): olive tree is a typical Tuscan plant with nutritional value and healing benefits.

Properties and benefits:

This extract synergistically blended with first-quality ingredients like Wheat Protein imparting strength and sheen to your hair. A nourishing hydrating shampoo that help restore the scalp's protective mantle relieves the skin and hair from dryness. For everyday or frequent use on any hair types.

USE: Apply on wet hair. Massage gently. Stay. Rinse thoroughly with lukewarm water.

AGE DEFENCE ABSOLUTE MOISTURE CREAM

A true natural intensely hydrating formula, with precious active botanicals to help prevent premature signs of aging and fine lines for healthier, younger-looking skin. (see separate Brochure)

Properties and benefits:

Nourishing Olive Oil (Olea Europea) is rich in minerals, vitamins, and proteins and essential fatty acids. Mallow (Malva Sylvestris) mildly moisturizes. Wheat Protein softens and smoothes insuring perfectly hydrated comfortable skin with congestion-relieving effects. CERAMIDES 1, 3, 6-II help add resilience to the skin, reinforce elasticity of tissues and skin's protective barrier, prevent vital moisture loss. Broad-spectrum sunscreens protect against damage caused by exposure to the air and sun. Pro-Vitamin B5, Vitamin E get rid of dryness and restore a youthful glow to the skin. Nourishing Sweet Almond combine with Wheat Germ Oil to deeply soothe and rejuvenate for softer, smoother skin. This formula absorbs quickly. We recommend to use it in combination with Atmosfere Toscana Soothing Eye Contour.

DIRECTIONS: Use a small amount daily, after cleansing, in the morning and / or in the evening. Allow to penetrate patting very gently. It is perfectly suited as a

SOOTHING EYE CONTOUR

The essence of Tuscany distilled for your Beauty Care
A precious effective treatment containing the typical plant extract of Corn-flower (Centaurea Cyanus) to help promote firmer, youthful-looking eye contours. (see separate Brochure)

Properties and benefits:

This light-textured, skin-softening, refreshing gel cream directly provides the skin with valuable active substances and is both gentle and non-oily. Nourishing, protecting Sweet Almond Oil and Wheat Germ Oil combine with a broad spectrum sun protector and repairing, antioxidant Vitamin E to deeply soothe and rejuvenate the sensitive eye area. Wheat Protein and Provitamin B5 smoothe, firm, revitalise. Hyaluronic acid is a superb, hydrating humectant. Witch Hazel (Hamamelis Virg.), Cornflower and Camomile extracts protect, relax, purify, reduce inflammations with their antiseptic properties. The area around the eyes will become visibly smoother and more vigorous. As part of your daily skincare regimen and as a real program of prevention of skin aging, we recommend to use it in combination with Atmosfere Toscana Age Defense Absolute Moisture Rich Cream.

USE: apply small amount around the eye at any time of the day, in the morning and in the evening, patting very gently. It is perfectly suited as a caring makeup base.
