Active Substances: Organic water of Helichrysum Italicum (Everlasting/Immortelle) from Chianti, Tuscany , Vit. C & E, organic extracts of Hops, Fenugreek, Aloe Gel, Soy & Wheat proteins.

LIP BALM HYDRATING AND PROTECTIVE

A 100% natural lip-balm formula containing healing organic Shea butter and Jojoba oil. A soothing blend which invisibly soothes and protects your lips against drying-out or chapping. Vitamin E ensures an extra antioxidant action. This powerful moisturizer is softening and comforting to your lips, easy to apply, and provides lasting protection against harsh elements. For daily use. Dermatologists' tested. Suitable for men, women and children. This formula contains no colouring, no fragrance, no preservatives.

SUNSCREEN LOW, MEDIUM & HIGH PROTECTION (SPF 6 - SPF15 - SPF30)

Nourish and shield your skin from the sun & environment, against UVA and UVB rays, causing your skin to age prematurely. Your skin will be nicely moisturized, for a long, gorgeous lasting tan. Organic Buriti Oil, rich in carotenoids, is typically reddish, which gives a final characteristic yellow hue to this formula. Easy to apply, smooth and light. ZnO and TiO2 are FDA & European Union- approved as safe and efficacious ingredients in sun products. This balanced, comfortable, herbal-infused water-in-oil formula is significantly water-resistant, for a long-lasting protection immediately upon application. Fragrance-free. Classified non-irritating if applied to intact human skin. Keeps the skin hydrated and visibly healthy. Bio Vera Sun is an environmentally-friendly sunscreen. We strongly encourage responsible tourists using it

BIO SCRUB

Delicate for all skin types. Face & Body: mechanical exfoliation method involves physically scrubbing the dead skin and impurities off your skin. This mild smoothing formula gently yet thoroughly cleanses, purifies, hydrates the skin. This scrub will leave your skin soft, smooth and fresh; also helps your moisturizer and skin care treatments penetrate better. Precious components to create a gentle but effective exfoliation that won't irritate skin: organic orange & spelt waters; finely ground organic scrubbing particles (Bioscrub) from Acai Fruit, natural and sustainably harvested and organic Burdock extract & Macadamia & Avocado oils; Vitamin E & B5; Italian organic essential oils. Weekly regular exfoliation and daily hydration can help give your skin a healthy, more youthful glow.

GEL CREAM FOR SKIN TONE & FIRMNESS

For all skin types, especially those with the appearance of cellulite, and lack of elasticity. A unique, rich combination of natural and functional principles •Naturally stimulating Caffeine - which may have positive effect on microcirculation, thermogenic and lipolytic activity •Natural Cypress water and plant extracts from organic agriculture for stimulating and improving healthy peripheral microcirculation (Rosemary, Vine, Horse-Chestnut, St.John's Wort, Juniper, Horse tail, Lemon) •Dry Birch extract (2-3% total flavonoids calculated as hyperoside) known for its purifying and detoxifying effects. •Organic Essential oils of Juniper, Lemon, Rosemary are stimulating and playing an active role in massage efficacy, to help increase circulation, decongest, detoxify and reduce water retention Mixed up in a fresh, melting texture to improve the appearance of skin smoothness, elasticity & firmness. Easy to apply, absorbs quickly and helps to tone and reduce the visible signs of cellulite. The beneficial effects of massage may favour blood/lymphatic circulation. It keeps skin moisturized, leaving it feeling soft and looking smooth and supple.

ROLL ON EYE CONTOUR

Bio Vera Eye Serum is a bio-protective roll-on formula intended to visibly reduce the appearance of dark circles, fine lines and puffiness around the eye area, as well as toning, firming and moisturizing the skin. Its active ingredients are a combination of organic sweet orange water and botanical extracts. a highly purified Water Melon extract and a pro-endorphine complex Euphoryl Q3: leading to a particularly pleasant, comfortable feel and a sense of well-being in the same positive way as natural happiness does. For all skin types. Perfume-free to minimize a hypersensitivity reaction of the eye area.

HAND CREAM

A unique anti-aging mixture: natural plant Extracts, Sweet Almond & Sunflower Oils of certified organic-origin and other essential ingredients, such as Vitamin E with its well-known anti-oxidant properties. All of the ingredients have been formulated to work synergistically to create the perfect rich, silky and replenishing blend for hands and nails. Ideal for re-hydrating skin and cuticles leaving your hands feeling soft, smooth and protected. Eco-bio approved, hypoallergenic fragrance. Dermatologist's tested.

BIO VERA SKIN TONER

Refreshing complexion-perfecting toner that maintains hydration of skin while purifying it. It works to rebalance impurities while guarding against dehydration. Natural & precious organic Orange & Spelt (Triticum spelta) and Mallow extracts have moisturizing, soothing, decongesting properties. Skin is left supple, soft and feels pure and cleansed.

BODY YOGURT

Deep-Moisturizing Hydrating Body Lotion Naturally hydrating Body Formula. Rich, relaxing, creamy moisturizer fortified with nourishing organic-and natural-derived ingredients to soothe and revitalize your whole body, for a healthy, happy, smooth and velvety-soft skin. Yogurt is an ancient healing remedy that goes back hundreds of years. In Greece, yogurt is known for its ability to instantly soothe the skin by delivering increased moisture to the upper levels of the epidermis. Enriched with - natural skin-softening Yogurt Protein - organic phytocomplex of rosemary, grape, horse chestnut, lemon balm St.John's wort, juniper; - natural organic oils (sunflower, sweet almond, shea butter); - Vitamin E, effective as an antioxidant. This ultra-soothing cream provides instant hydration to dry skin. Can be used everyday on all types of skin, dehydrated or even oily.

CLEANSING MILK

This gentle cleansing milk is specially formulated for sensitive skin but it is also ideal as a makeup remover for all skin conditions. Soothing and lightweight organic sunflower, macadamia and rice bran oils combined with organic shea butter, Vitamin E and natural fresh organic extracts (mallow, oat, yarrow) nourish, and hydrate your skin. Instantly delivers intense moisture. Skin feels pampered, smooth and comfortable, ready and receptive to all cosmetic treatments.

PURIFYING GEL

Normalizing, purifying cleansing Gel suitably formulated to cleanse and to optimize quality of young, impure, oily, acne-prone and problematic skin. It refines the pores and helps balance natural pH. Concentrated formula containing precious, purifying natural herbs from organic-planting (Mallow, Burdock, Spelt) with sebo-regulating properties and antioxidant Vitamin E. Great for toning congested, oily skin as well as skin imbalances. Your skin will feel clean, soft, fresher and more radiant.

BIO VERA INTENSIVE SERUM

Highly concentrated unique natural, skin-anti-depressant formula in drops, to help prevent premature ageing of the skin and repair visible signs of skin aging. Formulated with precious natural and/or organic origin extracts & oils (rosa mosqueta, avocado, borage, macadamia, jojoba, olive, argan, carrot), components with a host of beneficial effects on the skin (Vitamin E effective as an antioxidant) and Omega3 pro-endorphine complex Euphoryl Q3, said to strengthen the skin's cell activity in the same positive way as natural happiness does, leading to a sense of well-being.

20-30 PREVENT

Focused on treating young, mixed, still acne-prone or oily skin, on preventing first expression lines. It hydrates your skin and help prevent signs of aging. This new eco-bio skin care regimen can help you keep a natural, glowing, youthful appearance longer.

30-40 MINIMIZE

More focused on first signs of aging & skin stress, which may begin to be troublesome: an active comfort against first wrinkles, fine & mimic lines. This eco-bio anti-aging moisturizer is loaded with natural ingredients will also help preserve the natural beauty and radiance of our skin.

40-50+ REPAIR

More focused on diminishing the appearance of wrinkles, laugh lines and other cosmetic signs of age on mature and problematic or dry, depleted skin. Highly concentrated eco-bio formula that helps to improve skin's texture by visibly replumping and wrinkles for smooth, luminous, youthful-looking skin.

TINTED CREAM

Ideal for all skin types & ages (from greasy to normal and mature) including those with delicate skin. A new, comforting, eco-bio treatment perfectly suitable for delicate skin, with multiple skincare and makeup benefits: It gives a natural-looking, smooth-feeling finish: hydrates, soothes and evens out skin tones. Your skin is soft and protected all day long. Natural mineral pigments delicately create a flawless effect with a colour-adaptive formula that primes and discreetly perfects skin's surface & skintone delicately: the ideal alternative to heavy comedogenic foundations that tend to clog pores. Different tones are available (soft - medium - intense) which suit most complexions.

BREAST SERUM

Breast serum in drops. Visible cosmetic help in the prevention of breast tissue relaxation & stretch marks: stimulates and moisturizes aging dehydrated, depleted skin and sagging breasts. Softens, protects, comforts and restores skin. Perfume-free. Rich in precious organic and/or natural oils and emollients including Soy Oil, Sesame Oil, Rice bran Oil, Avocado Oil and Olive Oil are effective in toning up the bust and prove to be helpful in replenishing, what time and maternity have taken away, in toning up and firming of the skin, by providing it with natural elasticity. Contains natural Bisabolol and a useful antioxidant complex containing Tocopherol (purest form of Vitamin E). Regular use of this product helps in maintaining visibly fuller and youthful-looking breasts.

Recommended for

- protecting and promoting firmer, tighter, moisturized breasts
- young skin to cosmetically prevent stretch marks and maintain elasticity
- mothers during/after pregnancy and breast-feeding
- mature skin, loss of firmness and elasticity
