## COSMO Ps DERM SHAMPOO

A gentle cleansing oil shampoo, designed for especially sensitive users with delicate, scaly, very dry scalp and skin. This light moisturizing cleanser can be used as part of a daily skin care regimen by all skin and hair types and is especially suited for use on skin and hair commonly stressed or sensitized. It is indicated also for aging skins. This specially hydrating formula with mild surfactants and Açai oil helps balance physiological conditions and guarantees a nice, soothing action and less flaking of scalp. Açai oil is a natural pure oil of plant origin rich in phytosterols, anthocyanins, essential fatty acids, vitamins and fibers and other nutritional benefits. Delicately scented with a touch of natural bergamot oil. Ps-derm oil shampoo gives a long-lasting sensation of softness, comfort and freshness.

ML 200

## COSMO Ps DERM OIL CREAM

It helps relieve discomfort of very dry scaly skin areas a precious blend of oils of natural origin: Açai oil as an active and bergamot oil as a delicately scented natural essence, designed for especially sensitive users with scaly, very dry skin. It provides comfort, relief and deeply hydrates sensitive epidermis. Açai oil helps balance physiological conditions and well-being, guarantees a nice, soothing action and less flaking. This breakthrough hydrating cream can be used as part of a daily skin care regimen and is particularly recommended for use on stressed or sensitized skin. It is indicated also for aging skins. Your skin feels comfortable, soft and perfectly moisturized. Use daily on any skin area requiring the highest level of moisturizing protection.

ML 25

## COSMO NATURAL FEMME GEL

The unique formula of this gel is a ph-balanced mixture of botanical extracts and other active ingredients to create a wonderful aid for women. There are herbs, vitamins, plant-estrogens from soy that will increase toning and fresh sensation, enhance the vaginal comfort and ease.

ML 25

ML 50

## COSMO NATURAL FEMME SHAMPOO

Delicate rinse-off formula to gently cleanse and refresh the external intimate area whilst helping to maintain a healthy ph-balance. Thanks to its composition containing natural vitamin e and lactic acid, this formula has a delicate rebalancing effect, respecting the physiological acidity of the mucous membranes and protecting the most private parts of our bodies from external factors. Enriched with a precious complex of natural extracts, known for their decongestive properties. Natural soy protein helps promote a beneficial effect and strengthen the body's natural vaginal balance & response.

ML250

## COSMO NIGHT CREAM

A multi-benefit intensive treatment against the visible signs of aging, ideal for demanding skins. Rich in dermoactive principles & extracts to support the natural functions of skin and LUMINESCINE, the first natural active ingredient for cosmetics based on luminescence. Its phytocomplex based on Verbascum flower water, commonly known as "mullein", is able to protect the skin from harmful high energy UV radiation, transforming it into a source of light that radiates directly from the skin and hair making them looking shinier, younger and healthier. A precious combination designed to act during the night and preserve natural integrity to deliver immediate beneficial sensations: it provides amazing relaxing results, restoring the skin's natural comfort and softness, leaving it feeling pampered and glowing.

ml 50

## COSMO DAY CREAM

Fresh&Moisturizing for a soft and pliable skin with Luminescine Verbascum flower water. Total effect luxurious revitalizing, hydrating day cream ensures a flawless finish, skin comfort, youthful look, hint of glow. Visible results to minimize the look of skin's problems and imperfections: for a fresher, smoother and toned texture. Rich in dermoactive principles & extracts to support the natural functions of skin and LUMINESCINE, the first natural active ingredient for cosmetics based on luminescence. Its phytocomplex based on Verbascum flower water, commonly known as "mullein", is able to protect the skin from harmful high energy UV radiation, transforming it into a source of light that radiates directly from the skin and hair making them looking shinier, younger and healthier. It is the perfect base for makeup.

ml 50

## COSMO LUMINOSA SOFT GLIDING CREAM

The application helps protect the skin from cellulite damages and recover a healthy, good-looking body contour and skin's energy. This precious formula contains a complex of plant-derived active ingredients that, thanks to its unique composition, is able to decrease the accumulation of new lipids and, at the same time, to stimulate the breakdown of lipids in the adipocytes. In vivo & in vitro studies of the active principle Regu-Shape® on efficacy demonstrate a positive draining and slimming effect, an improvement in the aspect of the skin. Benefits: long lasting improvement of orange peel skin; a smoother, ameliorated skin appearance and a slimmer, toned, beautifully glowing texture.

ml 100

## COSMO LIP CREAM

Butter Cream - Specific treatment for lips challenged by harmful effects of environment, aging and external agents. Soothes, calms and protects lips, leaving them soft, supple and hydrated with a long-lasting pleasant feeling. Enriched with Vitamin E and active vegetal derived components such as soothing & nourishing Sweet Almond Oil and Shea Butter, rich Lip cream restores beautiful moisture, helps prevent aging while providing ultimate comfort, smoothing and rehydrating the lip surface.

ml 15

## COSMO SEBOCARE

A formula to cleanse impure and oily skin and optimize its quality of your skin. The cleansing strategy in these cases is to use only mild surfactants in small quantity. Suitably studied for the daily cleansing of young, oily, acne-prone skin. It is a perfect balance of emollients, acids, botanical extracts, essential oils and other active ingredients to create a wonderful face cleanser for seborrheic skin. This face wash will leave your skin clean and refreshed, without stripping natural protection, nor upsetting the acid balance (acid mantle) of the skin.

ml 150

## COSMO SKIN CLEAR

Balancing & Normalizing Gel Cream for improving the appearance of impure Acne-prone and oily skin. A precious blend of oils in a natural plant complex, is designed for especially sensitive users to purify, clarify and smooth the skin. Its perfectly balanced formula helps to control and reduce sebum production, especially in the T-zone area of the face, and leave skin smooth and radiant.

USE: Adult & young skin - Apply a small amount two times a day, usually in the morning and the evening, to clean, dry skin on affected areas. Rub it in gently to absorption.

External use only. Store in a cool, dark, dry place.

ml 50

## COSMO SERUM

The safe&natural Anti Wrinkle Cosmetic alternative to Botox. COSMO SERUM rejuvenating cosmetic therapy acts as a natural alternative, more effective and safer than Botox. A new anti-wrinkle cosmetic treatment based on the power of natural algae OLIGOGELINE, THALASSINE and PHYTODERMINA Natural Firming Complex. A revolutionary new non-irritating anti-aging gel with natural plant extracts (Aloe, Ginseng, Echinacea), moisturizers, vitamins and Wheat & Silk proteins to guarantee younger healthier skin and more protection from the sun and polluting agents. It works faster more effectively with no irritation, and steadily diminishes the look of wrinkles with visible and dramatic results.

ml 30

## COSMO EYE CONTOUR

Delicate eye contour for all ages Soothing & Smoothing for a younger appearance. The effective daytime treatment to help promote firmer, younger-looking eye contours. A cosmetic treatment based on a small peptide developed to help reduce any type of wrinkles, change the type and aspect of wrinkles that add years to your appearance. Freshness and moisturizing sensation after application. Created to soften and reduce expression lines, cool, calm and add radiance to the eye area for a younger look. With a natural derived decongestive, moisturizing, smoothing, toning complex of Phyto-extracts. Suitable for all skin types. It absorbs quickly and easily without leaving any residue.

ml 30

ml 10

## COSMO DERMA VEIN

The cosmetic help for improving microcirculation:

- supports healthy circulation
- supports a smooth, soft and even toned skin

This cosmetic formula is refreshing, soothing, relieving: specifically conceived to help stimulate blood circulation, protect and reinforce the walls of the blood vessels. Powerfully working against free radicals. It proves helpful to prevent and treat varicose veins, to lessen blood vessel frailty. It offers a natural cosmetic alternative to help diminish the look of spider veins, along with easing some of the discomfort that may accompany them.

Bilberry and Red grapevine have been shown to increase capillary strength. Horse chestnut and hydrocotyl extract are widely used for chronic venous insufficiency and for reducing inflammation and sensitivity. St.John's wort extract is known as an anti-inflammatory, wound healing, antioxidant. Melissa is soothing and refreshing. Rosemary and Juniper have a stimulating action on capillaries and small vessels.  
ml 30
